How does your support make a difference in preparing our kids for success?

In 2021-22 KC Ready 4s provided:

26

Our *Thriving Teachers* program provides access to counseling, telemedicine, a crisis line, & wellness resources at **no cost** to the preschools.

Why...?

2X

On average, children learn 2 times as much compared to children who do not have a high-quality pre-kindergarten experience

Being a part of KC Ready 4s for the last decade has allowed us to **completely transform our center** into the best possible learning environment that we strive to have.

We value the entire KC Ready 4s team!
